

Helping at Home

Here are some activities that will support your child's learning in school:

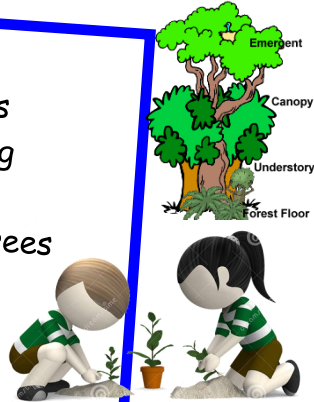

- Talk homework will be set each week. Take time to discuss the talk topic with your child to help prepare them for their 'Big Writing'.
- Share books with your child.
- Listen to your child read and send their book to school every day.
- Practise their spellings
- Write numbers up to 50 and beyond - learn to write a new number every day.
- Say aloud the days of the week and months of the year.
- Add and take away two numbers using numbers up to 20.
- Recognise all coins and their values - play shops to encourage giving change.
- Draw shapes with a ruler.
- Measure the length of different objects or lines on a page.
- Colouring in and drawing.
- Write their full name and learn to say their address out loud.
- Use your unique password to log in to the Learning Platform and access a wide range of activities online.
Use your unique password to log in to Sumdog for reading and maths activities.

**This is what I will be
learning about this term in
Year 1**

Design and Technology

Design and make a rainforest winding mechanism

RE

Sikhism

Computing:

Focused unit: We are Zoologists!
We will go on a bug hunt, record and identify the small animals we find. Then we will organise the data we have collected, record it using a graphing package.

English

We follow the Read Write Inc Scheme and the Literacy Strategy for teaching your children to read and spell. Each week the children will be taught how to write for different purposes and how to apply their skills in 'Big Writing'.

Maths

We follow Maths Makes Sense to teach your children skills in mathematics.

Art and Craft

Creating plants and animals of the rainforest, using a variety of different materials and techniques
