# School Uniform Policy

## Introduction

School uniform plays an important role in contributing to the ethos of a school and setting an appropriate tone. A uniform can instill pride; support positive behaviour and discipline; ensure pupils of all races and backgrounds feel welcome and protect children from social pressures to dress in a particular way. Above all research shows that school uniform supports effective teaching and learning.

## Cost

The most important consideration when providing uniform is cost. To enable all parents/carers to afford a uniform the school has a colours only stipulation. Although the school provides branded sweatshirts, parents/carers can shop around for the cheapest possible provider so long as the colours of yellow polo shirt and navy blue jumper cardigan/ sweatshirt are adhered to.

Uniform is available from the School Office on a Wednesday.
