

Sunshine Infant and Nursery School PE and Sports Premium Funding

As of 2013, schools have been allocated a Sports Premium Allowance to support the development of Physical Education within schools. At Sunshine, we are committed to using the additional funding in the following ways:

- For children to be aware of sporting opportunities that are available to them by providing them with a variety of extra-curricular activities that they can access
- To develop a high quality, progressive and structured PE curriculum in KS1
- To improve the physical literacy and fitness of all pupils in Reception and KS1
- To improve the delivery of the PE curriculum and improve the quality of teaching and learning
- To improve the assessment of PE across KS1 to identify key groups of pupils
- To encourage pupils to understand the importance of a healthy lifestyle

All spending is carefully monitored by the school leadership team and the Governing Body to ensure it is providing value for money and having a direct impact on raising the awareness of pupils as to the importance of a healthy lifestyle.

Below is a breakdown of how our school intends to spend the Sports Premium Budget:

2017/2018
